Arches

Lyrics ©1981 J. Morrow

Moon is up in the sky

All I see is a crest

Clouds along the
horizon

Blue sky contains the
rest

Ancient rocks stand
thin and proud

Like people shuffling
through a crowd

And here I stand so
small and far

Singing to a single star

Oh, Healing Waters Lyrics ©2012 J. Morrow

Oh, healing waters I yield to your embrace

I dive into the depths of this global sacred place.

Wash away fear, wash away pain

nurture our hearts so we can feel again.

Turn me like a stone on a rushing river bottom

toss me with the tide until I'm smooth as silk.

The smell of the flowers the smell of the forest,
clear our senses, we remember.

The color of the flowers the color of the forest,
open our eyes, see the beauty before us.

The sound of the flowers the sound of the forest,
hear the gentle singing, the harmonious chorus.
The dancing of the flowers the dance of the forest,
sway in the wind, breathe deep.
The feel of the flowers the feel of the forest,
trust our connection, we lead our own way.

Oh healing waters I yield to your embrace
I dive into the depths of this global sacred place.
Wash away fear, wash away pain,
nurture our hearts so we can feel again.
Turn me like a stone on a rushing river bottom
toss me with the tide until I'm smooth... as... silk.
